THE WHO SELL OUT

Replacing the stale smell of excess with the sweet smell of success, Peter Townshend, who, like nine out of ten stars, needs it. Face the music with "Odorono;" the all-day deodorant that turns perspiration into inspiration.

This way to a cowboy's breakfast. Daltrey rides again. Thinks: "Thanks to Heinz Baked Beans everyday is a super day." Those who know how many beans make five get Heinz beans inside and outside at every opportunity. Get saucy.

SUZANNE VEGA

It's a one time thing
It just happens
a lot
Walk with me
And we will see
what we have got
ah...

My footsteps are ticking
Like water dripping from a tree
Walking a hairline
And stepping very carefully
ah...

My heart is broken
It is worn out at the knees
Hearing muffled
Seeing blind
Soon it will hit the Deep Freeze

And something is cracking
I don't know where
Ice on the sidewalk
Brittle branches
In the air

The sun
is blinding
Dizzy golden, dancing green
Through the park in the afternoon
Wondering where the hell
I have been

ah...
